

All Skin Types

pH 7.5-8.1

Size: 1.0 fl oz e 30 ml

description:

Complex C Serum with highly stable vitamin C and peptide complex is formulated to promote healthy, younger looking skin while protecting from free radical damage. Brightens and evens skin tone.

key benefits:

- Neutralizes free radicals
- Provides daily antioxidants
- Enhances proliferation
- Protects against UV damage

directions:

Apply a thin layer of Serum to the entire face in the morning after cleansing.

Key Ingredients

Function

Key Ingredients	Function
Sodium Ascorbyl Phosphate	Antioxidant; fights free radical damage, prevent future sun damage. Aids in decreasing pigmentation associated with aging and sun damage.
Myristoyl Hexapeptide-5 (P198)	Immune stimulant
Glycerin	Softens the skin; transports water from within the skin; helps maintain the epidermis and prevent dryness or scaling; humectant
Sodium Hyaluronate	Plumps to smooth skin
Panthenol	Vitamin B complex factor; antioxidant
Niacinamide	Increase ceramide and free fatty acid levels in skin; prevents skin from losing water content; stimulates microcirculation in the skin. Helps skin discoloration.
Alpha-Arbutin	Inhibits melanin formation, brightens skin; reduces pigmentation
Allantoin	Antioxidant, OTC/FDA approved for soothing skin
Morus Alba (Mulberry) Leaf Extract	Antioxidant
Rosa Canina (Rose Hip) Fruit Extract	Skin conditioning agent
Glycine Soja (Soybean) Protein (Elhibin)	Natural moisturizing factor; forms protective film to prevent water loss; antioxidant
Glycyrrhiza Glabra (Licorice) Root Extract	Plant derived lightening agent; anti-inflammatory
Arctostaphylos Uva Ursi (Bearberry) Leaf Extract	Plant derived lightening agent; inhibits melanin formation
Camellia Sinesis Leaf Extract	Potent antioxidant properties
