

All Skin Types

pH 5.5-6.5

Size: 6 fl oz/180 ml

Professional: 16 oz

description:

A gentle pH neutral cleanser formulated to remove makeup and impurities without stripping away natural oils. Contains a proprietary probiotic and peptide complex that acts as an antimicrobial agent and helps regulate defensins in the skin.

key benefits:

- pH neutral/gentle
- Up regulates/stimulates defensins
- Contains antimicrobial properties
- Acts as anti-inflammatory

directions:

Massage gently onto wet skin. Remove thoroughly with warm water.

Key Ingredients

Function

Lysophosphatidic Acid	Promotes healthy epidermis development; visibly reduces pores; phospholipid growth factor
Acetyl Carboxymethyl Cocoyl-Glycine	Helps fight acne; chelator with anti-microbial properties
Rice/Sacchromycese Lyce/Lactobacillis Ferment Lysate Filtrate	Up regulates defensins for anti-microbial and anti-inflammatory action
Ethyl Macadamiate	Skin conditioning agent; emollient
Bisabolol	Anti-inflammatory; speeds healing
Zingiber Officinale (Ginger) Root Extract	Antioxidant
Chamomilla Recutita (Matricaria) Flower/Leaf Extract	Anti-inflammatory properties
Camellia Sinensis Leaf Extract	Potent antioxidant properties
Aloe Barbadensis Leaf Juice	Protects and moisturizes skin
Sodium Carboxymethyl BetaGlucan	Humectant; skin conditioning properties
Sodium Caproyl/Lauroyl Caltylate	Excellent anti-microbial properties
Undecyl Arginine Amide	Anti-microbial

ingredients:

Water, Disodium Oleamido MEASulfosuccinate, Disodium Laureth Sulfosuccinate, Glycerin, Coco-Betaine, Lauryl Betaine, Lysophosphatidic acid, Acetyl Carboxymethyl Cocoyl-Glycine, Rice/Sacchromycese Lyce/Lactobacillis Ferment Lysate Filtrate, Ethyl Macadamiate, Bisabolol, Zingiber Officinale (Ginger) Root Extract, Pentylene Glycol, Butylene Glycol, Hydroxyphenyl Propamidobenzoic Acid, Chamomilla Recutita (Matricaria) Flower/Leaf Extract, Camellia Sinensis Leaf Extract, Aloe Barbadensis Leaf Juice, Malus Domestica, Cucumis Sativus (Cucumber) Fruit Extract, Sodium Carboxymethyl BetaGlucan, Sodium Caproyl/Lauroyl Lactylate, Undecyl Arginine Amide, Xanthan Gum, Disodium EDTA, 1,2-Hexanediol, Caprylyl Glycol, Ammonium Hydroxide
