### key benefits:

- Eliminates appearance of fine lines and wrinkles
- Improves skins firmness and elasticity
- Evens skin tone
- Produces smoother skin
- Protects from future signs of aging
- Diminishes appearance of age spots
- Revitalizes and re-energizes your skin

### directions:

Use this kit once a week for 4 weeks in the PM only. Apply treatment on the same day each week.

1. Cleanse.
2. Apply the Pro A Lift (step 1) and massage onto face in a circular motion for 1-2 minutes.
3. Apply Pro A Booster (step 2) on top of step 1 and massage onto face in a circular motion for 1-2 minutes.
4. Do not use any PM products on night of treatment. This treatment is to be left on face overnight. If you feel that too much product has been applied, you may wipe excess off. If you feel a moisturizer is needed prior to going to bed, only use the Daily Essential Hydrator. If irritation occurs at any time, remove with cleanser and apply the recovery gel.
