

All Skin Types  
Size: 2 fl oz/60 ml  
Professional: 8 fl oz/240 ml

pH 5.0-6.0

### description:

A gentle, non-abrasive exfoliator enhanced with probiotic technology designed to smooth and clarify skin while exfoliating dead skin cells.

### key benefits:

- Exfoliates dead skin cells
- Assists in maintaining healthy skin appearance
- Repairs evenness and dullness caused by dead skin cell build up
- Properly preps skin for treatment
- Strengthens healthy skin with natural antioxidant vitamins as they exfoliate

### Directions:

After cleansing, apply exfoliator to wet face and massage gently for 1-2 minutes. Allow product to remain on skin 5 to 10 minutes before rinsing thoroughly with warm water.

### Key Ingredients

### Function

| Key Ingredients   | Function   |
|---|--|
| Papain  | Natural enzyme designed to stimulate exfoliation by decomposing proteins causing a softening effect to the skin. |
| Bromelain   | Protein digesting enzymes that sheds dead skin cells; acts as anti-inflammatory                                  |
| Citrus Paradisi (Grapefruit) Fruit Extract                        | All natural exfoliator; Nourishes skin due to its anti-oxidant effect; helps even skin tone;                     |
| Rice/Sacchromycese Lyce/<br>Lactobacillis Ferment Lysate Filtrate | Up regulates defenses for antimicrobial and anti-inflammatory properties   |
| Cysteine  | An amino acid that assists in repairing damaged skin; helps skin maintain its youthful appearance.               |
| Glycerin  | Softens the skin, helps maintain the epidermis and prevents dryness; acts as humectant                           |
